Precautions: Do not exceed the stated daily dose. Food supplements are not a substitute for a varied diet. Keep out of the reach of young children. If you are pregnant or breastfeeding, consult a healthcare practitioner before using this product.

Refrigeration is required for storage, but is not required during shipping. Do not freeze or place the product in direct sunlight for extended periods of time.

Note: Colour of contents may change when stored in refrigerator.

Directions: As a food supplement, take one sachet 1-2 times per day. For best results, snip or tear the notched end off the sachet, squeeze into 30-60 mL of filtered or spring water, or your favourite cool beverage, and drink on an empty stomach at least 15 minutes before eating. Contents of sachet will not dissolve.
